Mijares in Latam Fintech Unicorn Investment

We are pleased to share with our clients and friends that we represented [SoftBank Latin America Fund](#) in its USD 250 million investment together with Viking Global Investors LP, in [Clip](#), Mexico's leading digital payments and commerce platform.

The investment is the largest ever for a FinTech payments company in Mexico, which positions Clip as a new Mexican unicorn, the first of its kind, with a valuation approaching USD 2 billion.

[Ricardo Maldonado](#) and [Carlos Orcí](#), led the team involved in this transaction composed by [Elián Ávila](#), [Anacandy Perusquía](#), [Francisco Romero](#) and [Iván Arturo Serralde](#).
