

SEMARNAT: Extension of deadlines for the submission of reports

Environmental – July 1, 2020

SEMARNAT extends the deadline for the submission of the Annual Operation Card and other procedures related to the National Registry of Emissions.

On June 30, 2020, the Ministry of Environment and Natural Resources (“SEMARNAT”) published in the Federal Official Gazette the Agreement (the “Agreement”) by which the deadline for the submission of the Annual Operation Card (“COA”) and other procedures related to the National Registry of Emissions and the Verification Report for the year 2019. The above mentioned, in line with the suspension of acts and administrative procedures ordered in the Resolutions published in the Federal Official Gazette on March 24, April 17 and April 30, 2020.

To reduce the transmission of the SARS-CoV2 virus (COVID-19) and protect the population’s health, the published Resolution has extended the following deadlines: i) the submission of the COA for the year 2019 until September 30, 2020; ii) the term to upload the information of the indirect emissions into the National Registry of Emissions by the establishments subject to report for the year 2019 until September 30, 2020; and iii) the deadline for the submission of the verification opinion of the report to the National Registry of Emissions, will run from October 1, 2020 to February 28, 2021.

The Resolution enters into force on July 1, 2020. For further reference, please visit the link that access to the [Resolution](#).
